Technical POC:

Synopsis: Project includes the construction of one Search Building, one Gate House, two prefabricated Guardbooths, one Overwatch Guardbooth and two canopies. It also includes all associated site work, and utilities as well as the demolition of two existing structures (a 8 X 16 gatehouse and a 4 X 6 guardbooth) removal of utilities, asphalt roads, fencing, curbing, and walkways. The Search Building is a single story, masonry construction structure at about 1320 SF. The Gate House is also single story, masonry construction, and must meet a minimum ballistic level III rating at about 480 SF. The Guardbooths will be 32 SF each, and the Overwatch Guardbooth will be 36 SF. All Guardbooths will be prefabricated and meet ballistic level III construction requirements. The two canopies will be standing seam metal roofing and steel columns with brick finishes.

The project includes the construction of new utilities, and the removal and/or relocation of existing utilities on the site. The site will require a significant amount of imported fill for regarding. This procurement will be advertised as a Request for Proposal. Competitive proposals will be evaluated based on the evaluation criteria set forth in the solicitation package. All responsible sources may submit a proposal, which shall be considered by the agency.
